

CRISIS & POSSIBILITY

GOT GREEN & THE MOVEMENT IN 2020

THE PANDEMIC DRAMATICALLY EXPOSED AND INCREASED
DEEP INJUSTICES...

**...WITH RAMPANT UNEMPLOYMENT AS WELL AS HOUSING, FOOD,
AND HEALTH INSECURITY.**

WITH BOTH DEBT AND DEATH SKYROCKETING,
FAMILIES STRUGGLE TO LIVE WITHOUT ANY
SEMBLANCE OF A SOCIAL SAFETY NET.

MEANWHILE, PANDEMIC PROFITEERING, STATE VIOLENCE,
AND WHITE NATIONALISM ARE ON THE RISE.

— WITH A UNIFYING CALL TO DEFUND POLICE AND
INVEST IN COMMUNITY-BASED HEALTH AND SAFETY.

AS RESPIRATORY ILLNESS ATTACKS OUR HEALTH, THE SUMMER OF SMOKE MAKES IT EVEN HARDER TO BREATHE AND REMINDS US THAT THIS ECONOMY IS NOT ONLY FUELING THE CLIMATE CRISIS...

...BUT TAKES LAND, LABOR, AND HEALTH RESULTING IN DESTRUCTION
OF THE NATURAL WORLD, HARDSHIP FOR THE MANY, AND POWER &
PROFITS FOR THE FEW.

CENTERING WORKING-CLASS COMMUNITIES OF COLOR IN SOUTH SEATTLE, GOT GREEN IS HONORED TO BE PART OF A BEAUTIFUL MOVEMENT THAT FIGHTS FOR A WORLD OF COMMUNITY HEALTH, SAFETY, RESILIENCE, AND POWER...

**... A MOVEMENT THAT IDENTIFIES THE LINKS BETWEEN
THE MANY CRISES WE FACE, BUILDS BRIDGES OF SOLIDARITY,
AND USES RUPTURES TO EXPAND WHAT IS POSSIBLE.**
